## My job...

Being the reception class teacher, it is my job to try and make sure that the children feel happy about starting school. This means that I visit the children in their homes before they start school so that I am a friendly face for them. I plan lots of fun learning for the children, teach them how to read and write, maths work, all about the world and how to be creative in arts, craft and music.

## What helps me do my job well...

Being organised  
Having a creative mind to think of fun activities  
Listening to everyone's opinions, ideas and concerns  
Being approachable

## Where you might see me...

In the Squirrel reception classroom and outdoor area or talking to colleagues in the offices
